

Baker High School Battery and Pit Audition 2025

Dear Potential Percussion Member,

This letter contains all information needed to try out for the 2025-2026 battery and pit, so hang on to it. First, The BHS Battery and Pit are a vital part of the Baker High School Band, and all rules and regulations for the band apply. Second, everyone must audition. Students who have previously been a part of the percussion section must try out again. Third, it is essential that each participant come into the tryout process with a good attitude and a willing spirit. These two qualities will make this time more enjoyable for everyone involved.

Enclosed is the audition material. Don't worry if it looks hard. We will teach you everything in the audition packet. The audition material includes snare, bass, tenor drums, and pit. Pick the instrument you would like to audition for and practice that part. We will ask everyone to try more than one instrument during the audition days. You may not wind up playing the instrument for which you audition. You will be placed on the instrument we think you can handle. (Understand, not everyone can play snare drum)

Audition days will be:

Monday April 14	3-5pm
Tuesday April 15	3-5pm
Wednesday April 16	3-5pm
Thursday April 17	3-5pm
Friday April 18	3:30 – until finished (This is the day we will set the battery and pit for the upcoming season.)

Contact us if you have any questions.
